

PLY AWAY REGISTRATION GUIDE

Ready to register for PLY Away? We thought it would be helpful to show you what to expect when registering for the event. PLY Away is utilizing Eventbrite, which will help us manage online registration and payment. This is our attempt to give you a peek at what the registration process will be like so you'll have no trouble once the time comes to register.

The initial screen will look like this:

You'll need to click on the green tickets button to be directed to the screen that will allow you to select your tickets.

You will see two options, one for PLY Away registration - \$5.00 - this is the option you'll select when you are first registering for classes.

The second option is only to be used if you have already registered and would like to make changes to your initial ticket.

To begin registration, you'll need to select a ticket for registration; hit the green checkout button to proceed.

On the next screen - please carefully read and fill out all of the details as you scroll down the page. Class selections will be at the very bottom of the page.
